COURSE DESCRIPTIONS

ON-SCREEN BOOTCAMP (ADULTS & TEENS)

Learn and prepare scripts one week, rehearse and film the next in this dynamic acting for camera course. Suitable for students new to acting through to the more advanced working actor wishing to stay primed. Throughout each term students will explore a range of skills including on camera scene work, script breakdown, improvisation and audition technique. Students can collect their scene on USB to take home and analyse. Tutor Luke Robson supports the training with experienced advice and tips, whilst encouraging students to be the best they can be.

ON-SCREEN BOOTCAMP (KIDS)

Devise, rehearse and shoot a short film in this kid's version of our fun and creative bootcamp. Through a series of drama games, improvisations and workshops each term, students will explore a range of skills including on camera scene work, story structure, characterisation and being relaxed on camera. Tutor Luke Robson mentors the class through the creative process and encourages students to be the best they can be.

CAMERA ESSENTIALS (ADULTS & TEENS)

In this course tutor Peter Richards explores a process catering for actors who are just starting out and wanting to build confidence, to those in the industry wanting to stay in tune. Learn a technique for the rapid retention of lines, break down scripts, use improvisation exercises to identify character, explore movement within the scene, use props to help tell the story, streamline your audition process and hone your on-camera technique. Peter has a wealth of knowledge and loves helping his students improve and start achieving their goals.

CAMERA ESSENTIALS (YOUNGER TEENS & KIDS)

Explore a thorough process for scene study, screen tests, an actor's preparation, on-camera technique and blocking of scenes to bring the story to life. Learn rapid retention of scripts and tips for your next showreel scene. Play with improvisation to discover character, theme and story. Be mentored by tutor and working actor Peter Richards in this skills-based course for kids and teens new to acting, as well as young people already working in the industry.

THE WORKING ACTOR (13-18YO)

Develop and rehearse an audition process in this challenging course designed for teens wanting a professional career as an actor. Learn script analysis, character development, skills for screen tests and camera technique. In this challenging course working actor Brodie Derrick will guide students towards audition-ready scenes. Be brave in this focussed class and leave the term with an arsenal of expert tips and industry practises under your belt.

READY, STEADY, ACT! (8-12YO)

Explore theatre games to invent unique characters and make up plays with your fellow actors. Discover how to develop comedic and dramatic characters and create a world for them in your very own scenes. Learn about theatrical atmospheres, build tension and bring performances to life in this lively class.

THE YOUNG ALL-ROUNDER (8-12YO)

Devise, perform and act in your own scenes on camera in this energetic class. Use improvisation to make up compelling performances, explore how stories are constructed, bring characters to life and learn scripts for your on-camera scene work. Create with your fellow actors to explore crazy characters and dramatic plot twists. Be introduced to audition technique, filmmaking processes, make new friends and explore fun ways of investigating the actor's journey as you work with professional actor Brodie on a short film.

FUN WITH DRAMA (5-8YO)

This fun and creative class provides a safe environment for children to explore the wonderful world of making theatre. Both on stage and on camera performance styles are explored. Children investigate their imaginative and dramatic talents through drama games and improvisation aimed to enhance their social skills and self-confidence. During the term students will explore the colourful world of green screen with costumes provided for the children's delight! This class aims to introduce performance into each child's life, allowing them to play through self-expression whilst they have fun.

MUSICAL THEATRE (CHILDREN THROUGH TO TEENS)

Ideal for children or teens who show a love of singing, dancing and acting, classes involve vocal and movement warm ups, dance techniques, storytelling and character work. In a fun and energetic atmosphere, students will learn new songs, develop choreography and devise performances. As well as creating pieces for on camera, students will have the chance to build a folio of audition pieces for professional or amateur theatre and school concerts. Towards the end of the year students will present a performance in front of an invited audience. One of the most challenging, rewarding and enjoyable types of performance, musical theatre classes increase a child's confidence and abilities both inside and outside of the rehearsal room.
